TRANSFORMING LIVES THROUGH AQUATICS

2,000

Children served = improving lives. Swimming builds healthy minds and bodies.

9,100

Swim Lessons provided = saving lives . Drowning is the leading cause of unintended death for children ages 1-4 and second leading cause for children under 14. Children of color are more likely to have no or low swimming ability. Formal swim lessons reduce the risk of drowning by 88%.

1,200

Swim Team, Water Polo & other Aquatic Activities supported = changing lives. Physical activity can have a positive impact on cognitive skills and academic behavior.

Children in minority communities are less likely to have, or have no, swimming ability.

100% of the families BBAF supports are low-income.

Because of you, children in need have the chance to learn to swim and to love the water, not fear it.

"Thank you so much for making the water accessible to our community youth and families. Swimming lessons go so much beyond just the skills - they have such positive lifelong impacts."- Loree, BBAF Partner

SAVE LIVES. CHANGE LIVES.

Mission

BBAF promotes healthy lifestyles, improves personal safety, and adds structure for lifelong achievement by providing scholarships for aquatic programs to underserved youth.

Since inception, BBAF has impacted 10,000 children and provided for 42,600 swim lessons.

"Swimming has shaped who I am today and opened up many opportunities; I learned that anything is possible no matter where you come from. Thank you!" - Yajaira, BBAF Swimmer
