

*"I feel really good knowing that my daughter is learning to swim. She is more confident and talks about it all the time. She loves it." - LaDoris, BBAF Parent*

**Wishing you Joyful Holidays!**

Thank YOU for building community around the pool for families who would not otherwise have access to it.

*"The community and relationships the parents and kids have built are wonderful to see. One of the moms shared that all the parents are so grateful for the opportunity to have swimming lessons for their preschoolers, as well as the opportunity to be in parent-child class with their toddlers. These families would not have swimming without scholarships from BBAF."*

- Loree, BBAF Partner
