

(Summer 2019 swim lessons)

BBAF Splash Stories

Summer is in full swing

Community pools are beginning to open and youth aquatic activities are starting to happen. Because you care about kids and swimming, BBAF scholarships are available to families who want their children to learn to

swim, to learn to be safer in and around the water, but do not have the means. You make it possible for these neighborhood kids to take swim lessons.

"I learned to put my head under the water and hold my breath. I feel more comfortable and love swimming. If all kids get to have swim lessons, they'll be stronger and safer in the water!" - Isabella, BBAF Swimmer

Thank you for being our hero. Swim lessons save lives, you are truly a lifesaver.

Knowing we have your support makes all the difference

"Please accept my donation to help kids learn to swim. I grew up going to the New Jersey shore, where too many drownings occurred to kids who lacked the ability to swim. Thanks for what you are doing." - Mary, 1st-time BBAF Donor

"My Masters swim team is so important to me that I want to share my joy of swimming with a child." - Sandy, BBAF Donor

**Thank you for your generosity!
You are saving and changing young lives through aquatics.**

Water Safety Reminders

1. Always watch children in and around the water.
2. Always designate an adult Water Watcher.
3. Teach kids how to swim.
4. Teach kids to stay away from drains in pools.

#SaveLives #ChangeLives

Shop via AmazonSmile & support Swim Scholarships

Use [AmazonSmile](#) to transform lives through aquatics. Your purchases in support of BBAF will make this season a safe and fun one for neighborhood children who would not otherwise be able to afford swim lessons. Thank you!
