

BBAF Splash Stories

Happy 2020!

You made a real difference in the lives of children who did not know how to swim and may have been fearful of the water.

Last year BBAF served 2,000 kids and provided for over 9,000 swim lessons, along with 1,200 hours of other aquatic activities, all because of you.

Your care and generosity helped local kids learn a life-saving and life-changing skill
-- thank you!

"Thanks for all the great work you guys do!" - Jane, BBAF Donor

*"Exciting to see how far we've come serving the community in aquatics!
We couldn't do it without you - thanks!" - Steve, BBAF Partner*

Take a Swim Survey:

[Where did you have your first swim lesson and how old were you?](#)

[How has swimming changed your life?](#)

"Sometimes I tell people swimming has saved me multiple times in my life, but it's in so many ways; it's a whole lot more than the physical parts of it, it's the people, the programs, the relationships and the opportunities."

- Loree, BBAF Partner

**We want to hear
your swim story.**

#SaveLives #ChangeLives

Did you know that research shows, if a child doesn't learn to swim before the 3rd grade, they likely never will. Early swimming lessons are critical - thank you for helping provide swim lessons to local children in need.

You are a real lifesaver!

With your support and generosity, let's make this year another safe and fun one for all our neighborhood children. You know the transformative power of swimming, and through your spirit of giving, you've helped less fortunate kids lead healthier and happier lives. Here's to another wonderful year in the pool for all!
