

BBAF Splash Stories

Happy Leap Day!

As we leap into the pool and a new season, we want to thank you for a rewarding 2019. Be on the lookout for BBAF's 2020 Community Report coming to you soon which shares the accomplishments and positive impact you have made.

You can be a hero to all the new, young swimmers this year too as the need for access to and funding for swimming is real. Your ongoing support ensures these kiddos are safer in and around the water and teaches them how awesome swimming can be - how it can transform their lives.

You really are making a difference - thank you!

What will you do with your extra day?

Let BBAF know how you are spending your extra 24 hours via our [Facebook](#) and [Twitter](#) pages using **#LeapDay**.

We can't wait to hear what you are doing. It is sure to be inspiring because your gifts are inspiring - allowing and encouraging kids to live active, healthy lives around the pool. Thank you!

Did you know that for every child who dies from drowning, another five receive emergency department care for nonfatal submersion injuries.

Thank you for giving swim scholarships to local children in need.
